**Key risks**

- The value of shares is sensitive to market fluctuations, instrument prices, and changes in political, economic, or market conditions. Regionally focussed funds may be susceptible to higher volatility due to adverse occurrences affecting that region or country.
- The fund may use financial derivatives.
- A (derivative) counterparty may fail to fulfil its obligations. Counterparty risk is reduced by exchanging collateral.
- The fund invests in assets that could become less liquid in certain market conditions, which may affect their value.
- This fund promotes ESG characteristics, but does not have sustainable investing as its objective. Sustainability risks are integrated in the investment decisions and may impact returns.

**Risk management**

Risk management is fully integrated in the investment process to ensure that positions always meet predefined guidelines.

**Fiscal product treatment**

The fund is established in Luxembourg and is subject to the Luxembourg tax laws and regulations. The fund is not liable to pay any corporation, income, dividend or capital gains tax in Luxembourg. The fund is subject to an annual subscription tax ('tax d'abonnement') in Luxembourg, which amounts to 0.05% of the net asset value of the fund. This tax is included in the net asset value of the fund. The fund can in principle use the Luxembourg treaty network to partially recover any withholding tax on its income.

**Fiscal treatment of investor**

The fiscal consequences of investing in this fund depend on the investor's personal situation. For private investors in the Netherlands real interest and dividend income or capital gains received on their investments are not relevant for tax purposes. Each year investors pay income tax on the value of their net assets as at 1 January if and inasmuch as such net assets exceed the investor's tax-free allowance. Any amount invested in the fund forms part of the investor's net assets. Private investors who are resident outside the Netherlands will not be taxed in the Netherlands on their investments in the fund. However, such investors may be taxed in their country of residence on any income from an investment in this fund based on the applicable national fiscal laws. Other fiscal rules apply to legal entities or professional investors. We advise investors to consult their financial or tax adviser about the tax consequences of an investment in this fund in their specific circumstances before deciding to invest in the fund.

**Dividend policy**

No dividend is distributed. All returns are reinvested and translated into price gains.

**Registered in**

Austria, Belgium, France, Germany, Ireland, Italy, Luxembourg, Netherlands, Singapore, Spain, Switzerland, United Kingdom

**Currency policy**

Investments are predominantly made in securities denominated in US dollars. The fund is denominated in euros.

No part of this document may be reproduced or published in any form or by any means without Robeco's prior written permission. Investment involves risks. Before investing, please note the initial capital is not guaranteed. Investors should ensure they fully understand the risk associated with any Robeco product or service offered in their country of domicile. Investors should also consider their own investment objective and risk tolerance level. Historical returns are provided for illustrative purposes only. The price of units may go down as well as up and past performance is no guarantee of future results. If the currency in which the past performance is displayed differs from the currency of the country in which you reside, then you should be aware that due to exchange rate fluctuations the performance shown may increase or decrease if converted into your local currency. The performance data do not take account of the commissions and costs incurred when trading securities in client portfolios or for the issue and redemption of units. Unless otherwise stated, performances are i) net of fees based on transaction prices and ii) with dividends reinvested. Please refer to the prospectus of the Funds for further details. Performance is quoted net of investment management fees. The ongoing charges mentioned in this document are the ones stated in the Fund's latest annual report at closing date of the last calendar year. This document is not directed to or intended for distribution to or for use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, document, availability or use would be contrary to law or regulation or which would subject any Fund or Robeco Institutional Asset Management B.V. to any registration or licensing requirement within such jurisdiction. Any decision to subscribe for interests in a Fund offered in a particular jurisdiction must be made solely on the basis of information contained in the prospectus, which information may be different from the information contained in this document. Prospective applicants for shares should inform themselves as to legal requirements which may also apply and any applicable exchange control regulations and taxes in the countries of their respective citizenship, residence or domicile. The Fund information, if any, contained in this document is qualified in its entirety by reference to the prospectus, and this document should, at all times, be read in conjunction with the prospectus. Detailed information on the Fund and associated risks is contained in the prospectus. The prospectus and the Key Information Document (PRIIP) for the Robeco Funds can all be obtained free of charge from Robeco's websites. Parts of the marketing material may involve the use of AI-assisted tools to support the evaluation and review of marketing materials. These tools are designed to help ensure greater consistency and efficiency. All outcomes are reviewed by human evaluators.

**Additional information for US investors.** This document may be distributed in the US by Robeco Institutional Asset Management US, Inc.
