Robeco 3D European Equity UCITS ETF EUR Acc

Robeco 3D European Equity UCITS ETF is an actively managed Sub-fund that invests in stocks of companies in European markets and will apply the Manager's "3D" investment strategy, which seeks to consider risk, return and sustainability in the Sub-fund's portfolio. The Sub-fund's portfolio will be optimised using a quantitative process to target returns in excess of the Benchmark, sustainability characteristics better than the Benchmark and to manage risk compared to the Benchmark. The three dimensions of risk, return and sustainability are considered together in the Manager's proprietary quantitative stock-ranking model.

Performance

Based on transaction prices, the fund's return was 4.79%.
The objective of the 3D European Equity UCITS ETF is to consistently outperform the MSCI Europe Index over the long term by applying a large number of small overweight and underweight positions with respect to the index, resulting in a low tracking error. The portfolio consists of roughly 200 European stocks and overweight stocks with an attractive valuation, a profitable operating business, strong price momentum and recent positive revisions from analysts. By using our integrated multi-factor stock selection model, we expect the strategy to consistently outperform the index. Furthermore, the fund has a lower environmental footprint on carbon emissions compared to the benchmark.

Investment policy

Robeco 3D European Equity UCITS ETF is an actively managed Sub-fund that invests in stocks of companies in European markets and will apply the Manager's "3D" investment strategy, which seeks to consider risk, return and sustainability in the Sub-fund's portfolio. The Sub-fund's portfolio will be optimised using a quantitative process to target returns in excess of the Benchmark, sustainability characteristics better than the Benchmark and to manage risk compared to the Benchmark. The three dimensions of risk, return and sustainability are considered together in the Manager's proprietary quantitative stock-ranking model.
The Sub-fund promotes environmental and/or social characteristics within the meaning of Article 8 of the Regulation (EU) 2019/2088 of 27 November 2019 on sustainability-related disclosures in the financial sector. The Sub-fund takes explicitly into account the contribution of a company to the United Nations Sustainable Development Goals (SDG). The Sub-fund strives for economic results, while at the same time taking into account environmental, social and governance characteristics which are further explained in the prospectus.

Key risks

- The value of shares is sensitive to market fluctuations, instrument prices, and changes in political, economic, or market conditions. Regionally focussed funds may be susceptible to higher volatility due to adverse occurrences affecting that region or country.
- The fund may use financial derivatives.
- A (derivative) counterparty may fail to fulfil its obligations. Counterparty risk is reduced by exchanging collateral.
- The fund invests in assets that could become less liquid in certain market conditions, which may affect their value.
- The fund is managed using quantitative models. Materialisation of the model risk may adversely affect fund performance.
- Sustainability risk factors may negatively impact investment returns. This fund promotes ESG characteristics but does not have a sustainability objective.

Investors should consult their professional adviser if you are in doubt about the stringent restrictions applicable to the use of this document, regulatory status of the Fund, applicable regulatory protection, associated risks and suitability of the Fund to your objectives. Investors should note that only the Sub-Funds listed in the appendix to the section entitled "Important information for Singapore Investors" of the prospectus ("Sub-Funds") are available to Singapore investors. The Sub-Funds are notified as restricted foreign schemes under the Securities and Futures Act, Chapter 289 of Singapore ("SFA") and invoke the exemptions from compliance with prospectus registration requirements pursuant to the exemptions under Section 304 and Section 305 of the SFA. The Sub-Funds are not authorized or recognized by the MAS and shares in the Sub-Funds are not allowed to be offered to the retail public in Singapore. The prospectus of the Fund is not a prospectus as defined in the SFA. Accordingly, statutory liability under the SFA in relation to the content of prospectuses does not apply. The Sub-Funds may only be promoted exclusively to persons who are sufficiently experienced and sophisticated to understand the risks involved in investing in such schemes, and who satisfy certain other criteria provided under Section 304, Section 305 or any other applicable provision of the SFA and the subsidiary legislation enacted thereunder. You should consider carefully whether the investment is suitable for you. Robeco Singapore Private Limited holds a capital markets services license for fund management issued by the MAS and is subject to certain clientele restrictions under such license.
