**Notice to the shareholders of the sub-funds**  
**Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities**  
**Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities**

Luxembourg, 3 April 2020

Dear Shareholder,

We are writing to you as a shareholder of Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities and/or of Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities, each being a sub-fund of the Company.

The purpose of this notice is to inform you about the decision of the board of directors of the Company (the "**Board**") to merge Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities (the "**Merging Sub-fund**") into the Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities (the "**Receiving Sub-fund**") with effect as of 14 May 2020 (the "**Effective Date**"), in accordance with the articles of incorporation (the "**Articles**") and the prospectus of the Company (the "**Prospectus**") as well as Articles 65 et seq of the amended law of 17 December 2010 on undertakings for collective investment (the "**2010 Law**") (the "**Merger**") and to provide you with details of the Merger and its implications for you as shareholder of the Merging Sub-fund and/or Receiving Sub-fund.

Following the Merger, the Merging Sub-fund shall cease to exist.

**1. Rationale and background for the Merger**

The decision to merge the Merging Sub-fund and the Receiving Sub-fund has been taken by the Board for the following reasons: (1) the Merger will provide economies of scale benefits associated to sub-funds with a greater size which will be in the best interest of the shareholders, (2) lack of expected future growth in the Merging Sub-fund and better expected future growth prospects of the Receiving Sub-fund, and (3) better investment diversification potential of the Receiving Sub-fund.

**2. Impact on shareholders and shareholders' rights**

Upon the Effective Date, shareholders who have not requested redemption or a switch of their shares in the Merging Sub-fund will receive shares of the corresponding share class in the Receiving Sub-fund. The specific features of the relevant share classes are set out in [Appendix I](#).

Shareholders should note that the net asset value per share of the shares of the Merging Sub-fund and of the Receiving Sub-fund on the Effective Date will not necessarily be the same. Therefore, while the overall value of their holding will remain the same, shareholders may receive a different number of shares in the Receiving Sub-fund than they had previously held in the Merging Sub-fund.

The impact of the proposed Merger on the shareholders of the Receiving Sub-fund will be equal to a subscription in-kind by new shareholders.

Shareholders of the Merging Sub-fund shall become shareholders of the Receiving Sub-fund as follows:

Existing classes in the Merging Sub-fund		Corresponding classes in the Receiving Sub-fund	
Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities	D EUR	Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities	D EUR
	D USD		D USD
	E EUR		D EUR*
	F EUR		F EUR
	G EUR		F EUR*
	I EUR		I EUR
	Z EUR		Z EUR

\*Share classes do not match with the Merging Sub-fund share classes as the share classes have a small asset base. Therefore, E and G share class investors of the Merging Sub-fund will be merged from annual distributing share classes to accumulating share classes.

For the avoidance of doubt, shareholders of the Merging Sub-fund will continue to hold shares within the Company and will benefit from the general safeguards applicable to undertakings for collective investments.

Shareholders may also continue to participate and exercise their voting rights in shareholder meetings, request redemption and switching of their shares on any dealing day.

It is not expected that the portfolio of the Receiving Sub-fund be rebalanced in the context of the Merger.

Furthermore, the Merger is not expected to entail a dilution effect on the Receiving Sub-fund.

As the Merging Sub-fund and the Receiving Sub-fund are both sub-funds of the Company, the procedures which apply to matters such as subscription, redemption and switching of shares, as well as the general investment restrictions and method of calculating the net asset value, are identical and are as described in the Prospectus.

Shareholders who do not agree with the Merger may redeem their shares in accordance with section 4 hereafter, without any additional charges. Please note that your financial adviser or distributor through which you have acquired shares may charge additional fees.

### 3. Comparison between the Merging Sub-fund and the Receiving Sub-fund

There are some differences between the Merging Sub-fund and the Receiving Sub-fund. A comparison of the investment objective and policy, the fee structure, other product features, and available classes of shares of the Merging Sub-fund with those of the Receiving Sub-fund is provided in the [Appendix I](#).

The Merging Sub-fund and the Receiving Sub-fund have the same Sub-Portfolio Manager, i.e. RobecoSAM AG.

For a complete description of the respective investment objectives and policies and related risks of the Merging Sub-fund and Receiving Sub-fund, please refer to the Prospectus and the attached Key Investor Information Documents ("KIIDs") of the Receiving Sub-fund. Shareholders are invited to carefully read the attached KIIDs of the Receiving Sub-fund.

### 4. Terms of the Merger

The Merger will become effective as of 14 May 2020 (the "Effective Date").

Shareholders should note that the orders for subscriptions, redemptions or conversions into or out of the Merging Sub-fund will be accepted until 6 May 2020, 3.00 p.m. (Luxembourg time) (the "**Cut-off time**"). Shareholders in the Merging Sub-fund will not be able to request subscription, redemption or conversion of their shares during the period from 7 May 2020 up to and including 14 May 2020.

Starting from 7 May 2020, the portfolio of the Merging Sub-fund will be mirrored with the portfolio of the Receiving Sub-fund in order to facilitate the Merger. The transaction costs incurred in this rebalancing or mirroring process will be borne by the Merging Sub-fund. From 7 May 2020 until Effective Date, the Merging Sub-fund will therefore no longer be compliant with its investment policy as stated in the Prospectus.

Shareholders of the Merging Sub-fund who do not agree to any of the above changes may redeem their shares until the Cut-off time.

Shareholders of the Receiving Sub-fund are reminded that, as provided in the Prospectus, the Fund does not charge any redemption fee and shareholders of the Receiving Sub-fund may therefore redeem their Shares anytime free of charge.

**After the Cut-off time, dealing in the Merging Sub-fund will be suspended up to and including the Effective Date. In the event that the suspension is required on another date and/or needs to be extended due to unforeseen circumstances, shareholders will be informed accordingly.**

Upon the Effective Date, the Merging Sub-fund will transfer its assets and liabilities to the Receiving Sub-fund and shall cease to exist. The Merging Sub-fund will have accrued sums required to cover known liabilities. Shares in the Merging Sub-fund will be cancelled and shareholders of the Merging Sub-fund will receive shares in the Receiving Sub-fund.

The number of shares to be received in the Receiving Sub-fund is determined using an exchange ratio calculated with four decimals rounded up or down to the nearest unit on the basis of the net asset value per share of the respective classes of shares of the Merging Sub-fund as at the Effective Date. Shareholders should note that the net asset value per share of shares of the Merging Sub-fund and that of the Receiving Sub-fund on the Effective Date will not necessarily be the same. Therefore, while the overall value of their holding will remain the same, Shareholders may receive a different number of shares in the Receiving Sub-fund than they had previously held in the Merging Sub-fund.

The exchange ratio for each share class will be calculated in accordance with the terms of the Prospectus on the basis of the net asset values of the relevant share classes of the Receiving Sub-fund and the Merging Sub-fund as of the Effective Date. For the avoidance of doubt, this means that the net asset value per share as of the market close (or in accordance with the valuation principles as laid out in the Articles and the Prospectus) of 13 May 2020 of the respective share classes of the Merging and Receiving Sub-funds will be used to calculate the exchange ratio.

All outstanding liabilities of the Merging Sub-fund will be determined on the Effective Date. Generally, these liabilities comprise fees and expenses which have accrued and are or will be reflected in the net asset value per share. Any additional liabilities occurring after the Effective Date will be borne by the Receiving Sub-fund.

Subject to the Merger becoming effective on the Effective Date, shareholders of the Merging Sub-fund on the Effective Date, will receive shares of the corresponding class in the Receiving Sub-fund as set out in the table in Section 2 above and the shares in the Merging Sub-fund will be cancelled simultaneously.

## **5. Costs of the Merger**

All legal, advisory and administrative costs and expenses incurred by the Merging Sub-fund resulting from or incidental to the implementation of the Merger and the termination of the Merging Sub-fund will be borne by Robeco Luxembourg S.A. (the "**Management Company**").

The transaction costs incurred in the portfolio rebalancing or mirroring process will be borne by the Merging Sub-fund. Any

taxes due in the transfer of securities from the Merging Sub-fund to the Receiving Sub-fund will also be borne by the Merging Sub-fund.

Any and all unamortised expenses relating to the Merging Sub-fund will be borne by the Management Company.

## **6. Additional information**

### a) Registration

Shareholders are advised that the Receiving Sub-fund has been or will be registered as of or around the Effective Date in each of the countries in which the Merging Sub-fund are currently registered.

### b) Tax impact

The Merger will not lead to taxation at the level of the Merging Sub-fund or the Receiving Sub-fund in Luxembourg. The transfer of the portfolio may trigger transfer taxes in some countries like the UK, Italy or India. Due to the exchange of shares from the Merging Sub-fund to the Receiving Sub-fund certain investors may also be subject to income taxation or transfer taxes.

**Notwithstanding the above, as tax laws differ widely from country to country, investors are advised to consult their tax advisers as to the tax implications of the Merger specific to their individual cases.**

### c) General

For any other differences between the Merging Sub-fund (and their share classes) and the Receiving Sub-fund please refer to Appendix I.

**APPENDIX III**  
Common Merger Proposal

Robeco Capital Growth Funds  
*Société d'Investissement à Capital Variable*  
Registered office: 6 route de Trèves  
L-2633 Senningerberg  
Grand Duchy of Luxembourg  
R.C.S. Luxembourg B 58.959  
(the "**Company**")

**COMMON MERGER PROPOSAL**

The board of directors of the Company (the "**Board**") approves the terms of the proposed merger of the sub-fund Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities into the sub-fund Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities as follows:

1. The Company is incorporated in the Grand Duchy of Luxembourg as a *société anonyme*, having its registered office at 6 route de Trèves, L-2633 Senningerberg, Luxembourg and qualifies as a *société d'investissement à capital variable* organised as an umbrella fund pursuant to Part I of the law of 17 December 2010 on undertakings for collective investments (the "**Law of 2010**").
2. The sub-fund Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities (the "**Merging Sub-fund**") shall be merged into the sub-fund Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities (the "**Receiving Sub-fund**"). The contribution will be made in a manner that the share classes of the Merging Sub-fund (the "**Merging Share Classes**") will be merged into share classes of the Receiving Sub-fund (the "**Receiving Share Classes**") as further described in Section V. "Calculation Method of Exchange Ratio".
3. The Company is managed by Robeco Luxembourg S.A. (the "**Management Company**"), a Luxembourg management company pursuant to Chapter 15 of the Law of 2010.

**I. Type of merger**

The Merging Sub-fund will be merged into the Receiving Sub-fund in accordance with the terms of Article 1 (20) a) of the Law of 2010 (the "**Merger**").

**II. Background and Rationale**

The Board has decided, in accordance with Article 5 of the articles of incorporation of the Company (the "**Articles**"), the provisions of the prospectus of the Company (the "**Prospectus**") and in the best interests of shareholders to merge the Merging Sub-fund into the Receiving Sub-fund.

The decision to merge the Merging Sub-fund and the Receiving Sub-fund has been taken by the Board for the following reasons: (1) the Merger will provide economies of scale benefits associated to sub-funds with a greater size which will be in the best interest of the shareholders, (2) lack of expected future growth in the Merging Sub-fund and better expected future growth prospects of the Receiving Sub-fund, and (3) better investment diversification potential of the Receiving Sub-fund.

**III. Expected impact of the Merger**

Shareholders of the Merging Sub-fund shall become shareholders of the Receiving Sub-fund as follows:

Existing classes in the Merging Sub-fund	Corresponding classes in the Receiving Sub-fund
---	---

Robeco Capital Growth Funds – RobecoSAM Sustainable Food Equities	D EUR	Robeco Capital Growth Funds – RobecoSAM Circular Economy Equities	D EUR
	D USD		D USD
	E EUR		D EUR*
	F EUR		F EUR
	G EUR		F EUR*
	I EUR		I EUR
	Z EUR		Z EUR

\*Share classes do not match with the Merging Sub-fund share classes as the share classes have a small asset base. Therefore, E and G share class investors of the Merging Sub-fund will be merged from annual distributing share classes to accumulating share classes.

The Board believes that shareholders of the Merging Sub-fund and of the Receiving Sub-fund will benefit from the Merger for the reasons stated under II. "Background and Rationale".

Furthermore, the impact of the Merger on the shareholders of the Receiving Sub-fund will be equal to a subscription in-kind by new shareholders.

It is not expected that the portfolio of the Receiving Sub-fund be rebalanced in the context of the Merger.

Furthermore, the Merger is not expected to entail a dilution effect on the Receiving Sub-fund.

A short description of the investment policy of the Receiving Sub-fund compared to the Merging Sub-fund can be found in [Appendix I](#).

Upon the Effective Date as defined hereafter, the Merging Sub-fund will transfer its assets and liabilities to the Receiving Sub-fund.

Shareholders of the Merging Sub-fund who do not wish to participate in the Merger may ask for the redemption of their shares or switch of their holding into another sub-fund of the Company free from any charge until 6 May 2020, 3.00 p.m. (Luxembourg time). Shareholders of the Receiving Sub-fund may redeem their shares anytime free of charge in accordance with the terms of the Prospectus.

#### **IV. Valuation criteria of assets and liabilities**

All outstanding assets and liabilities of the Merging Sub-fund will be valued in accordance with the valuation principles contained in the Articles and the Prospectus on the Effective Date (as defined below).

These outstanding liabilities generally comprise fees and expenses (e.g. legal, administrative and advisory costs) due but not paid as reflected in the net assets of the Merging Sub-fund.

All expenses related to the Merger as referred to in the Law of 2010 will be borne by the Management Company in accordance with the Law of 2010.

Any additional liabilities accruing after the Effective Date (as defined below) will be borne by the Receiving Sub-fund.

#### **V. Calculation Method of Exchange Ratio**

On 14 May 2020 (the "**Effective Date**"), the Merging Sub-fund will transfer its assets and liabilities to the Receiving Sub-fund. Shares of the Merging Sub-Fund will be cancelled and shareholders of the Merging Sub-fund will receive shares of the corresponding share classes in the Receiving Sub-fund as described under III. above. The total value of the shares held by shareholders in the Merging Sub-fund will correspond to the total value of the shares received in the Receiving Sub-fund.

The number of shares to be received in the Receiving Sub-fund is determined using an exchange ratio calculated with four decimals rounded up or down to the nearest unit on the basis of the net asset value per share of the respective classes of shares of the Merging Sub-fund as at the Effective Date. Shareholders should note that the Net Asset Value per share of the Merging Sub-fund and that of the Receiving Sub-fund on the Effective Date will not necessarily be the same. Therefore, while the overall value of their holding will remain the same, shareholders may receive a different number of shares in the Receiving Sub-fund than they had previously held in the Merging Sub-fund.

The exchange ratio for each share class will be calculated in accordance with the terms of the Prospectus on the basis of the Net Asset Values of the relevant share classes of the Receiving Sub-fund and the Merging Sub-fund as of the Effective Date.

The approved statutory auditor of the Company shall validate the criteria adopted for valuation of the assets and liabilities, the calculation method of the exchange ratio and the actual exchange ratio determined as of the Effective Date as provided for in Article 71(1) of the Law of 2010 and its report shall be available on request and free of charge to the shareholders.

## **VI. Effective Date**

The Merger shall be effective on 14 May 2020, or any other date to be determined by the Company and approved by the CSSF.

On the Effective Date, the Company shall automatically contribute all assets and liabilities of the Merging Sub-fund to the Receiving Sub-fund in accordance with Article 1 (20) a) of the Law of 2010. The issue and redemption of shares in the Merging Sub-fund shall be suspended from 7 May 2020.

If any event occurs after the signature of the Common Merger Proposal or the dispatch of the notice and before the Effective Date that is likely to have a significant disadvantageous impact on the Company, the Merging Sub-fund, its portfolio or its investors, the Board may decide to change the Effective Date or cancel the Merger. In case such a decision is taken, the Board will take the necessary steps to inform shareholders of the Merging Sub-fund and the Receiving Sub-fund as well as the relevant regulatory authorities without delay.

## **VII. Rules applicable to the transfer of assets and exchange of shares**

On the Effective Date, the net assets attributable to the Merging Share Classes will be transferred to the corresponding Receiving Share Classes.

In exchange for this transfer, holders of shares of the relevant classes of the Merging Sub-fund shall receive corresponding shares of the classes concerned of the Receiving Sub-fund as described in Section V. "Calculation Method of Exchange Ratio" above.

Simultaneously, the Merging Sub-fund will be dissolved without going into liquidation and its shares will be cancelled.

The board of directors of  
Robeco Capital Growth Funds
