Prospectus amendment

The boards of directors of the Companies hereby announce that the prospectuses of the Companies shall be amended as of 1 January 2022. The key changes are as follows:

- information has been added regarding the sustainability profile of the Companies as required by the EU Sustainable Finance Disclosure Regulation ("SFDR"). This is mainly reflected in the following sections:
 - the investor's risk profile has been clarified in view of the SFDR;
 - the sustainability risk profile has been added;
 - the 'Sustainable Investing' appendix has been replaced with a new 'Sustainability Disclosure' appendix containing detailed information on the SFDR for each fund classified as Article 8 or 9 under the SFDR;
- there has been a change in the legal entity of the service provider J.P. Morgan;
- the 'Tax Reporting' section has been added containing an overview of the tax reporting regimes that may apply to the Companies.

The above amendments will not result in any reduction in shareholders' rights, and are subject to the Dutch Authority for the Financial Markets having no objection.

The amended prospectuses will be available from 1 January 2022 via www.robeco.com/riam. The prospectuses, the Key Investor Information and the latest periodic reports are available for inspection by shareholders and other authorized persons and can be obtained free of charge from the offices of the Companies (Weena 850, NL-3014 DA Rotterdam) and at Northern Trust Global Fund Services, Head of Investor Services, 50 Bank Street, Canary Wharf, London E14 5NT and also via www.robeco.com/riam.
