

NON BANK BUSINESS DAYS 2019 until 22 April 2019 (updated)

This document provides an overview of Non-Bank Business Day 2019 until 22 April 2019 for Dutch and Luxembourg funds.

The Non-Bank Business Day overview from 22 April 2019 on is expected March 2019. The overview is split because the methodology to determine the actual day of a Non-Bank Business Day will slightly change from 22 April 2019 on. More information on this change will be provided early 2019.

The fund board elects a day as a Non-Bank Business Day if one or more stock exchanges and regulated markets where a (sub-)fund principally invests are closed or insufficient trading and liquidity is expected.

By electing a Non-Bank Business Day the (sub-)fund and therefore investors will be protected for (unintended) performance impact due to subscriptions or redemptions in the (sub-)fund.

The actual day which will be elected as a Non-Bank Business Day depends on the valuation of the market by the (sub-fund).

Two examples to illustrate:

- On 21 January the US Markets are closed due to Martin Luther King Day. Therefore Robeco QI US Conservative Equities will have a Non-Bank Business Day on 22 January.
- On 5 February the Chinese markets are closed due to Chinese new year. Therefore Robeco Chinese Equities will have a Non-Bank Business Day on 5 February.

Note that:

- Only non trading days falling on a weekday are mentioned;
- Reference is made to (Sub)funds, this reference is applicable for all classes of Shares of the applicable sub-fund (unless stated otherwise).
