<p>6. ENGAGEMENT POLICIES</p>	<p>What is Robeco’s engagement policy?</p> <p>Robeco actively uses its ownership rights to engage with companies on behalf of our clients in a constructive manner. Robeco engages with companies worldwide, in both our equity and credit portfolios. The outcomes of our engagement efforts are communicated to analysts, portfolio managers, and clients, enabling them to incorporate this information into their investment decisions as part of Robeco’s integrated Sustainable Investing framework. Engagement consists of a constructive dialogue between institutional investors and investee companies to discuss how they manage ESG risks and seize business opportunities associated with sustainability challenges. Robeco carries out two different types of corporate engagement with companies in which we invest: value engagement and enhanced engagement.</p> <p>Value engagement is a proactive approach focusing on long-term, financially material ESG opportunities and risks that can affect companies’ valuation and ability to create value. The primary objective is to create value for investors by improving sustainability conduct and corporate governance.</p> <p>Enhanced engagement focuses on companies that severely and structurally breach minimum behavioral norms in areas such as human rights, labor, environment and anti-corruption. The primary objective of enhanced engagement is to address reported shortfalls against internationally accepted codes of conduct for corporate governance, social responsibility, the environment and transparency</p>
