

## **Robeco Sustainable Global Stars Equities Fund N.V. Rolinco N.V.**

*(the “Companies”, investment companies with variable capital under Dutch law)*

### **Prospectus amendment**

The boards of directors of the Companies, Robeco Institutional Asset Management B.V. (“RIAM”), hereby announce that the prospectuses of the Companies will be amended as of 6 May 2025. The key changes include:

### **General changes**

- SFDR Sustainability Disclosures: the exclusion levels (Level 1 or Level 2) have been further specified, the “enhanced engagement” program has been clarified, and for Companies pursuing environmental objectives, a breakdown is now provided by Water & Waste footprint and CO2 footprint.
- The sections on the tax treatment of the investment product and its shareholders/participants have been updated to reflect recent developments in tax law.
- Texts concerning liquidity risks have been revised to align with improvements in the internal liquidity risk framework and new ESMA guidelines.
- The complaints procedure has been revised: investors can now submit concerns directly to RIAM via the existing process.
- To improve consistency across prospectuses, text revisions have been made for Companies following a quantitative investment policy (QI).

### **Fund-specific changes**

- Robeco Sustainable Global Stars Equities Fund N.V.: due to ESMA guidelines, the name will be changed to Robeco Global Stars Equities Fund N.V. These guidelines require that sustainability-related names are consistent with the investment strategy and objective. This name change requires an amendment to the articles of association and is subject to approval by the extraordinary meeting of shareholders which is scheduled for 10 April 2025.
- Rolinco N.V.: various texts related to the investment strategy and sustainability disclosures have been updated in line with the fund’s revised focus. Key changes include: the term “growth stocks” has been replaced with “identified themes”, the maximum exposure to China-A and China-B shares has been increased to 30%, the cash policy has been revised, and a CO<sub>2</sub> footprint target below that of the benchmark has been added.

The amended prospectuses will be available from 6 May 2025 at [www.robeco.com/riam](http://www.robeco.com/riam). The prospectuses (including the articles of association), key information document, as well as the annual and semi-annual reports can be obtained free of charge at the Companies’ representative in Switzerland.
